Al Pearson had full charge of all operations and directed his co-workers.

If we have omitted to give thanks to anyone who participated in this event, we assure you it was unintentional. Many thanks to all and will be seeing you next year.

MISSING BOY

Frankie Kaddick, age 6½, was reported missing from his home at 141 Lake Street, Brisbane, at 8 P. M. on the evening of October 8.

Leon S. Kaddick, father of the boy, contacted Chief of Police Al Girolo, who hastily organized a posse consisting of the crew of the Brisbane Fire Department under the direction of Fire Chief Terry. As the men searched the surounding hills and obscure places the posse was re-enforced with Deputies from the Sheriff's Office and the Highway Patrol.

Previously, Mr. Kaddick had informed Chief Girolo that he had searched his own home first for the boy. However, at midnight, little Frankie was found unharmed and sound asleep in the backyard shed of his home.

MISS CLIFFORD HONORED AT SHOWER

Many women friends were present Friday evening, September 17, when a personal shower was given for Miss Dorothy Clifford, fiancee of Rev. Edward Lane.

Mrs. Perry Hanchey and Mrs. Church were co-hostesses at the affair, which was held at the former's home.

In the latter part of the evening, the men guests arrived, to join in the fun. Mrs. Church rendered a lively piece of poetry, which she had written, about the courtship of the affianced pair, and then a hilarious mock wedding was performed with Mrs. Mary Sue Collins as the nervous bride, and Miss Norma Moon as the bashful gum-chewing groom.

At the close of a happy evening refreshments of punch and cake were served to the 40 guests present.

WEDDING

A very beautiful wedding and one of especial interest to Brisbane residents took place at Golden Gate Baptist Theological Seminary, Berkeley, California in the evening of October 1, at 8 P. M.

Reverend Edward Lane of the Bethel Baptist Church, Brisbane and Miss Dorothy Clifford of Berkeley, California were united in marriage in a double ring ceremony by Dr. B. Herring, President of the Seminary.

The Altar of the church was beautifully decorated with ferns, baskets of white gladiolas and arrangements of pastel hydrangea; white tapers in two 7-branched candelabra completed the lovely picture.

To the strains of Lohengren's "Wedding March" and "Wedding March" by Mendelssohn the bride was given in marriage by Dr. S. G. Posey, in the absence of her father.

The bride's white satin gown with sweetheart neckline and long sleeves which tapered to points over hands, the fitted bodice, topped the gathered skirt which terminated in a chapel train and her fingertip veil of net fell from a tiara of chrystal beads. White satin slippers completed her attire. In her hands she carried a white Bible topped with a white orchid from which showered white satin streamers.

The maid of Honor, Miss Darlene Hall, of Fort Worth, Texas wore a blue net dress and carried a colonial bouquet of pink roses, sweet peas and carnations.

The Bride's Maid, Miss Emma Lou Clifford, sister of the bride, wore a gown of ruffled blue organdy and carried an arm bouquet of pink carnations and sweet peas.

Mrs. Will Ed Langford of San Francisco, organist, dressed in a yellow formal with gardenia corsage, played selections of nuptial music. Selections included "At Dawning," "Ah, Sweet Mystery of Life," "I Love You Truly" and Liebestraum.

Mr. Bill Denton of Brisbane, as soloist sang three very beautiful pieces entitled "Because," "With This Ring" and "Wedding Prayer."

Little Brenda Hanchey dressed in a long white satin gown served as flower girl and Ralph Shelton, as ring bearer was also dressed all in white.

Mr. Truett Myers of Fairfield, California was Best man; Mr. Chrales Huft, was bridesmaid's escort. Ushers were Mr. Melvin McCollum of Brisbane and Mr. Curtis Lee of San Bruno.

The bride's mother Mrs. Virgil Clifford, of Blackwell, Oklahoma, wore a dress of muscatel accented with fuscia scarf and ear jewels, brown accessories and corsage of catalaya mosiana orchid.

Miss Helen Nison of White Face, Texas, who is now a student at the Seminary wore a chartreuse gown and corsage of pink carnations.

The bride's traveling costume consisted of a suit of muscatel, blouse, hat and gloves of dusty rose; black handbag and shoes completed the outfit.

After a short honeymoon at Lake Tahoe the couple will reside in Brisbane.

Mrs. Lane is a graduate of Oklahoma Baptist Uuiversity and has attended Southwestern Baptist Theological Seminary, Fort Worth Texas.

Mr. Lane is a graduate of Baylor University, Waco, Texas, also a graduate of the Moody Bible Institute in Chicago. Both are now attending Golden Gate Baptist Theological Seminary, Berkeley, California.

A member of Sigma Tau Delta and the Lions Club. Reverend Lane is pastor of the Bethel Baptist Church in Brisbane.

DRUM and BUGLE CORPS NEWS

The Drum and Bugle Corps appeared in the San Francisco Columbus Day Parade, October 10, 1948 and as usual made a fine showing.

The Corps will also appear in the South San Francisco Columbus Day Parade, October 24th and at Hunters Point a Navy Day, October 31st, 1948.

Our last Benefit Dance of September 18 was a failure from the financial standpoint, only clearing $15.85.

We were very disappointed in the way the people of Brisbane cooperated, as you all know that is the way we have tried to raise money for new equipment and to keep our Corps going.

The Drum and Bugle Corps extends their thanks to all parents and interested parties who helped with transportation in getting our boys and girls to and from the parade.

We wish to thank Mr. and Mrs. E. S. Akuland for their $20 donation; Frank Carney for his $5 and the 26th District of the American Legion for their check of $25.00.

We want all these people to know the money was used to buy new equipment and truly appreciated by all concerned.

We are happy to announce our Co-worker, Mr. Mayo Hogue has been elected Cub Master of Pack No. 134. Congratulations Mayo!

COMMUNITY CHEST

The annual Community Chest drive is now well under way as of October 1 and it is hoped that Brisbane, as always, will contribute generously towards its local San Mateo Community Chest.

Many willing volunteers have turned out this year to call at your door for your donations. These ladies are giving their valuable time and money too to put this worthy cause over the top.

This year Brisbane, under the able direction of John Garsimovich, of the Hillside Pharmacy, has appointed a chairman for each of its precincts.

The solicitors will carry pledge cards for your convenience so that small amounts may be made throughout the year. To quote the Chest slogan, "Give generously, give all you can."

The ladies calling at your door will be:

RECREATION CENTER MEETING

A meeting of the Recreation Center Executive Committee was held Monday evening, October 11, and produced some definite new rulings and a schedule of the program for the coming season.

The first Junior teen-age dance will be Friday, October 15, from 7 to 10 P. M.

The first Senior teen-age dance will be Saturday, October 23, from 8 to 11 P. M.

A teen-agers meeting will be held Tuesday, October 19 and the topic under discussion will be some new and different ideas for the Recreation activities.

A claritication was made of the new ruling stipulating that Mr. Eddie Davenport shall not accompany any team of boys or girls to a certain destination to compete in games. As the Recreation Hall is to be kept open at all times and as Mr. Davenport was engaged as Recreational Director for all group and ages is necessary that he remain always at the Hall. It would necessitate closing the Recreation Center for the period of time that Mr. Davenport was away. It is hoped that someone will be contacted for the purpose of transporting teams to and from the Recreation Center.

The Center needs a billiard table! Anyone having one or knowing of one that is to be disposed of please contact Miss Lipman at the school or Mr. Davenport at the Recreation Center.

ADULT TWILIGHT LEAGUE CHAMPS

Sunday, October 10, 1948 at the Brisbane Recreation Center the Brisbane Firemen won the Adult Softball league championship by defeating the Scout Committee by the score of 3 to 2. This was the second game victory for the Firemen in a two out of three series for the championship so the Firemen are now "1948 Champions." In winning the title the Firemen have also won the beautiful 18 inch softball trophy This trophy will be presented to them at a date to be announced later. Besides winning the trophy the Firemen will also be presented with individual medals. Mr. Lou Terry the champions manager had agreed to buy each player a medal if they won the championship, so Mr. Terry is keeping his promise and ordering the medals whch will also be presented at a later date.

The Firemen had won the first game in the playoffs Sunday, October 3rd, by the score of 25 to 9 and Sunday, October 10th by the score of 3 to 2. These victories were well deserved victories and came through hard smart playing on the part of the whole team.

We of the Recreation Department at this time want to extend our congratulations to the Firemen for their championship and fine play throughout the whole season. Also our thanks to the Scout Committee, American Legion, Veterans of Foreign Wars and the Bethel Baptist Church for their fine participation in our league and the wonderful way all the teams made it a huge success.

We would also like to thank all the spectators who have consistently turned out to watch and cheer our teams on. We feel assured at this time that with the huge success of our league this past season we will have a bigger and better organized and more successful league in the coming season.

As of the game Sunday, October 10, 1948, Mr. Johnny Bell was the winning pitcher and Mr. Sam Lewis the losing pitcher. The Firemen's runs were scored by Frank Radoff (1) and Bob Cardy (2). Bob Cardy brought in the winning run on an overthrow to second base and done this only on fleetness of foot. Bob also was the Champs' leading hitter of the day getting 3 for 4 officially.

The game was a nip and tuck contest throughout and these two teams were well deserving of the honor of playing it off for the championship.

In closing we would once again like to say, Congratulations Firemen on a fine job well done.

Thanking you,
Mr. Eddie Davenport,
County Recreation Director
Brisbane, California.

JEFFERSON HIGH NEWS

Brisbane maintains a good showing at Jefferson High School this year with nine of our boys in the Varsity Squad football line-up. The following are the names of the boys and the positions each one plays:

Frank Durham	-	Left tackle
Roy Childress	-	Fullback
Jim Crawford	-	Left halfback
Dwayne Curtner	-	Right end
Leo Ewing	-	Left guard
Donald Robinson	-	Left halfback
John Sweet	-	Right tackle
Edward Baron	-	Center
Robert Tann	-	Left guard

The first game of the season was playd away at Centerville on Oct. 1, and if there is anything to the old adage about a poor beginning making a good ending we hope that's the way it will turn out, as Jeffersnn lost to Centerville 13-6.

The second game was played at home October 8, with Menlo Park and Jeff came through with a score of 25-7.

The third game is scheduled to be played at home on October 15, with Palo Alto for the opponents.

The remaining part of the schedule for the season will be:

October 22 - Lincoln - at home
October 29 - Sequoia - away
November 5 - San Jose - away
November 12 - San Mateo - home
November 19 - Burlingame - away
November 25 - So. San Francisco - at home

It was feared that Roy Childress, fullback, might be out of the game for the season having dislocated a knee. Latest reports have it that he may return to the team and be able to play in the Sequoia game October 29.

GROWING UP

Was it yesterday I laced his shoes,
Wiped his nose and bemoaned each bruise,
Fastened the buttons he couldn't reach
And built sand castles on the beach?
Taught him to count on his 10 pink toes,
Listened with care to his little-boy woes,
Plied him with spinach as part of a game,
Guided his hand as he printed his name,
Spanked his bottom and dried his tears,
Scolded and cuddled and calmed his fears,
Tried to explain why the stars twinkled?
(No wonder my brow is perpetually wrinkled).
Was that yesterday? Why, how Time flies
Today he's a scholar and worldly-wise;
He's not much amused at the jokes we make
And scorns Santa Claus as a silly fake,
Scoffs at the once-loved Easter rabbit
And terms good-night kisses a babyish habit;
For now he's grown up and so utterly cool . . .
Today, you see, he started to school.

HOUSEHOLD HINTS

Advance Strategy:

MUFFINS for breakfast can be made quickly if the dry ingredients are measured and sifted the night before.

Cool Combination -

GRAPEFRUIT JUICE may be combined with ginger ale and ice for a cooling drink.

Making Buttercups For Creamed Foods:

Buttercups are attractive bread cases in which to serve cream foods. Make the cups by trimming crusts from slices of white bread. Spread butter or marerine lightly on both sides of each slice. Then press each slice into a muffin cup and toast in a moderate oven (375 degrees) until the tips are golden brown. They may be made in advance and reheated just before serving. Fill them with creamed chipped beef, creamed salmon and eggs, or creamed chicken.

Easier Cutting:

PARSLEY is easiest cut with a scissors. Fold over several of the sprays of one stalk and hold between thumb and other fingers of the left hand; now cut fine with the scissors.

Gigglism:

Small Boy to father: "Here's my report card and one of yours I found in the attic."

FISHY, isn't it . . . how every time a real spokesman for the common people arises, the big money interests yell 'Red!' and 'Dangerous Radical!'

The wealthy Tories tried it on George Washington. It didn't work!

'The respectable' followers of Hamilton tried it on Thomas Jefferson. It didn't work! The wealthy slave-owners tried it on Abe Lincoln. It didn't work! Wall Street and Big Business tried it on FDR. It didn't work!

Now they're trying to pull the same 'red herring' on Henry Wallace and the Progressive Party. AND IT WON'T WORK THIS TIME EITHER! Because . . . even if you own the big newspapers and radio stations . . .

P. T. A.

Something new has been added in regards to our Jefferson High School P. T. A.

Mrs. Woodard is now the membership Chairman for Brisbane Unit and Mrs. Byron Jensen handles the Publicity Chair. From now on we will let you know when there will be a P. T. A. meeting at Jefferson and whatever else is going on that is bound to be of interest to the parents of high school children.

The first P. T. A. meeting of the year will be in October; evening of the 19th. This is a curtsy meeting at the high school for all the elementary schools in the Jefferson School District and a very interesting one.

On November 15th there will be a Bazaar in the High School to raise the Annual funds for High School P. T. A. There are some lovely and practical things that the sewing club has made and worth going to buy. Also Brisbane High-School parents are asked to contribute: Fruit, sewing or cakes to fill a booth as our share of helping.

Mrs. Anna Jennett has consented to collect and hold all donations until needed. Please drop her a line or leave embroideries and such in Real Estate Office for Collector.

There will be a Teachers' Tea in the evening of October 28th. Now is the chance to meet a few of your childrens' teachers and find a mutual friendship in discussing progress of your child in his higher learning. This is important! Do you parents make an effort to meet these people and educators who do so much now to guide and influence your child's future? Don't be afraid of bringing the whole family when you go. It's a pleasant evening to spend together.

Brisbane Lions Club Celebrates Charter Night

Under the sponsorship of the Daly City - Colma Lions Club the Brisbane Lions Club was tendered a banquet on September 22nd at Uncle Tom's Cabin in San Bruno at which District Gov. W. K. Davis of Ukiah presented the Charter for Lions International to President Dave Reed.

Many visiting Lions from neighboring Clubs furnished top-notch entertainment and a very successful party was held.

COMMUNITY CHEST

Brisbane's corps of volunteer solicitors for this year's San Mateo County Community Chest fund raising drive today began an intensive door-to-door canvas of all businesses and residents in the city in order to put Brisbane "over the top" within the two-week Chest campaign period.

The Brisbane group of Chest wokers under the chairmanship of John Garsimovich were optimistically claiming that their town's 1948 Chest quota of $1,000 would not only be reached, but would be over-subscribed within the 14-day period devoted to the drive.

William F. Leutenegger, Chest general chairman, said that this year's Chest drive was receiving greater support from county residents than in any other previous year. Lou Marcus, chairman of the Chest's Advance Gift Division reported that pledges from large donors was already surpassing those of 1947. He pointed out, however, that there were many potential large givers who have not yet responded to this year's Chest plea, and he urged those who have been tardy in sending their 1948 Chest donation to make an effort to get their Chest gift in the mail as soon as possible so that the 1948 Chest goal of $170,474 may be reached within the two-week campaign period.

Residents of Brisbane were asked by Chairman Garsimovich to watch the progress of their town's Chest Drive on the 8-foot Chest thermometer located in central Brisbane. A record of the three times a week tabulation will be posted on the giant thermometer indicator to keep Brisbane residents informed on the amount of Chest money collected in their town. If the drive lags, Garsimovich said, it will be necessary for the workers in the Brisbane corps of the over 4000 county-wide volunteer army of the Chest to lend further effort in order that our town might reach its quota. However, we hope, Garsimovich said, that this will not be necessary. The enthusiasm shown by the local Chest group on the eve of the drive indicated that Brisbane had nothing to worry about and that its quota would be reached quickly and easily.

GIRL SCOUTS TO HAVE CELEBRATED GUEST

The Girl Scouts Troop No. 2 of Brisbane are scheduled to hold their Court of Honor on October 22nd and are eagerly awaiting the presence of Mrs. C. W. Corson, Girl Scouts International Friendship Chairman as their guest and speaker for that date.

The girls and their leaders Mrs Walden Delbon, Troop Leader and Mrs. L. Jenkins, assistant Troop Leader deem it an honor to entertain a distinguished personage such as Mrs. Corson.

Mrs. Byron Jensen and her Brownies and Mrs. Lloyd Isdahl leader of Troop No. 1 and her girls have been invited to attend this very important meeting. Invitations have been sent out to all the parents of the Girl Scouts and it is hoped they will be taken advantage of.

The following article, reprinted by courtesy of the San Francisco News, describes Mrs. Corson's work with the Girl's Scouts in foreign countries.

* * *

SCOUT KITS STILL NEEDED

By Lois Thomas

Why, when the war has been over three years, send friendship clothing kits to the children of Europe and Asia? That's a question Mrs. C. W. Corson, the Girl Scouts' International friendship chairman, runs up against now and then.

But she has the answer, and it's not one supplied in literature from national Girl Scout headquarters. As the wife of an Army major attached to the office of the chief engineer in Frankfort am Main in the American Sector of Germany, she saw ample explanation of the need for both friendship and clothing from America.

Of all the countries she visited during her year there—and she saw a good bit of the Scandinavian and Low Countries and France - she found the greatest want in the French-occupied sector of Germany.

"You could almost tell from the pinched faces of the children that they had tuberculosis, even without a test," she said. "It was evident they were suffering from malnutrition of long standing. And one sees a great many crippled children in Europe who have lost a leg or an arm from the bombing and nothing is done about it. Not even the veterans are equipped with artificial limbs as they are here."

Over the Top

From her observations, Mrs

Corson has returned convinced that if local Girl Scouts and their leaders "had seen what I've seen," the organization would be over the top on its quota of friendship kits well before the end of the year.

"The hunger you see and the lack of clothes, the blue-nosed youngsters that you know are from homes with no heat. . . They need clothes so badly, because they are not being supplied there. Most of their manufacturing goes for export," Mrs. Corson explained.

Of all the youngsters she saw, Mrs. Corson was most concerned about the German teen-agers—"the ones on the street, hungry, ill-clad and cold. There are plenty of older people willing to talk to them of Germany's greatness and how unfortunate it was they didn't win the war.

"From that age group will come the malcontents, because there are hundreds of them, cold and hungry with nothing to do. Many of their parents work, and they have little supervision. They steal and lie and run in gangs. Those are the ones we have to worry about," she said.

Former Teacher

A former teacher, Mrs. Corson enrolled in San Francisco State College in 1942 to obtain her degree, which wasn't required when she was issued teaching credentials 27 years before in Illinois, and to brush up on her German.

Knowing the language, she found broke down the barriers in Germany—"you get so much closer to the people when you can talk to tem."

Although Mrs. Corson has conducted classes for local Parent-Teacher Associations and served on the state P. T. A. board for 10 years, she will be concentrating this fall and winter on her work for the Girl Scout organization. By December she hopes to see its quota of 500 friedship kits for children, infant-age to 14, filled and en-route to the American Friends Society for distribution "wherever there is the most need."

GOOFY GOSSIP

Right now the people of Brisbane have two very important problems confronting them. The first and foremost is water. 2nd is sewer and sewer disposal plat.

The water situation seems to be the first to be disposed. The Crocker Estate who has been investigating the possibilities of enlarging our system has given it back to us. The cost is too great for a private concern to undertake at the present time.

So the next step is for the local community to act and investigate some other field which will be done in the NEAR FUTURE.

The committee from the Lions Club, the Chamber of Commerce and Fire Commission are now investigating other sources of getting adequate water supply for the future Brisbane.

The police district is under control, with the exception of the financial support of the Residence, who, if they would see to it that 50 cents per month per family was put in the district would be in good standing financially.

The political pot is boiling good and hot both locally and Nationally. The people of Brisbane should take the advantage of their opportunity and poll more votes than they did at the Police Commissioners election, which was a record for this community. Vote as you please "BUT BE A GOOD CITIZEN AND VOTE."

* * *

Jack Baker was among the lucky Deer hunters of the community and brought in a beautiful 200 lb. BUCK. Congratulations JACK.

The Real Estate business is somewhat slowed up; however, there is still buyers around. Not so much money to pay down. We can still sell your home or write your Insurance, draw your plans or Build for you. The same as usual "CLEAN DEALS IN DIRT."

So long until next time,
